In the gospels Jesus asks more than 150 questions. In fact, He often answered a question by asking one of His own. Questions are good because they indicate a desire for truth...and truth according to God's Word is the only truth we can trust! In "The Jesus Code" O. S. Hawkins has chosen 52 questions from God's Word that every believer should be able to answer. Come join us in 2018 as we journey through the Bible seeking answers to some of the most important questions we will ever ponder as believers. The first question is perhaps the most important... "Did God really say...?" Come find out the truth for yourself as we search through God's Word together!

The Gospel of Mark guides us as we follow Jesus through His days of early ministry to the cross and helps us discover what it fully means to be the recipients of His overflowing compassion and the very reason for His all-consuming passion. "Training a child up in the way he should go" must be done intentionally, with the mind and heart of God. Based on Psalm 127, this study plumbs the wisdom of the Bible about the goals of parenting, the stages of discipline, the role of the church, and strategies to shape the heart toward the gospel.

It's not the size of the giant, but the size of our God! Come look at the story of David and Goliath in a new way that shows us how living free from our giants is not a matter of our having better slingshot accuracy, but keeping our eyes on the only giant-slayer: Jesus. Put your hope in Him, and watch Goliath fall.
