In the gospels Jesus asks more than 150 questions. In fact, He often answered a question by asking one of His own. Questions are good because they indicate a desire for truth...and truth according to God's Word is the only truth we can trust! In "The Jesus Code" O. S. Hawkins has chosen 52 questions from God's Word that every believer should be able to answer. Come join us in 2018 as we journey through the Bible seeking answers to some of the most important questions we will ever ponder as believers. The first question is perhaps the most important... "Did God really say...?" Come find out the truth for yourself as we search through God's Word together!
