In the gospels Jesus asks more than 150 questions. In fact, He often answered a question by asking one of His own. Questions are good because they indicate a desire for truth...and truth according to God's Word is the only truth we can trust! In “The Jesus Code” O. S. Hawkins has chosen 52 questions from God's Word that every believer should be able to answer. Come join us in 2019 as we journey through the Bible seeking answers to some of the most important questions we will ever ponder as believers. We will resume our study with question 35, “Could you not watch with Me one hour?” Come find out the significance of this and other important questions posed to us by our Savior. The answers will change your heart, mind, and perspective on this life and the yet to come!

Often, idols are obvious—money, power, fame. But subtler idols can sometimes take the form of loved ones, Instagrammable interiors, and busy seasons of work, motherhood, or ministry. But if your heart is prioritizing any of those pursuits before God, you're missing the unrivalled joy and adventure of Jesus being your heart's ultimate treasure.

In this 8-session, revised and expanded study, learn to identify the functional gods you may be unknowingly serving and the lies they tell. As you dethrone your modern-day idols, you'll be set free for the deeper, more abundant life Jesus came to give you—discovering that Jesus can do what no other god can.
